Destination NIGERIA

Quick reference

Brand guidelines 2.0, on one page.

Logo

Use the supplied master. Clear space 1x (height of the n). Minimum 35 mm or 140 px. Reversed on Forest. The roundel is for avatars only.

Colour

Paper and Forest carry the system. Sun Gold is the sun: under 3 %, never text on Paper.

Type

Newsreader Display for titles. Newsreader Text for reading. Public Sans for information, with ₦ and tabular figures.

Composition

A horizon divides every layout: land above, words below. Captions name the place. Square corners, hairlines, no boxes or shadows.

Images

Real, verified, licensed photographs of the place named, with the brand grade. Engraved plates are traced from them. Never fabricate or misplace a location.

Never

Gradients, glows, ribbons, rings, patterns, seals, pill buttons, fake mockups, retyped logos, stretched images, clichés.
