WINZEMBER IN ABUJA

Big Wiz headlines Eagle Square on Sunday 13 December, and the whole city is invited.

LEAD STORY

STARBOY TAKES THE CAPITAL

On Sunday 13 December, Eagle Square hands the mic to Wizkid. Live Out Loud Music Festival brings Big Wiz to Abuja for one night: the records that soundtracked a generation of Afrobeats, played live, with the city singing every word back.

From *Ojuelegba* to *Essence*, these are songs Abuja already knows by heart. This December you hear them the way they were made to be heard: loud, live and outdoors, with your people around you.

Tickets are on sale now. Buy yours before the group chat asks.

FESTIVAL ESSENTIALS

THE SOUND

THE GLOBAL RISE OF AFROBEATS

Afrobeats has grown from a regional sound into one of the world's most celebrated music movements, carried by streaming, international collaborations and sold-out arenas. Wizkid has played a major part in that rise, proving that African music can travel without losing itself, and opening doors for a new generation of Nigerian artists.

Wizkid: from Lagos to the world, and now to Eagle Square.
